

c1 Esterase inhibitor deficiency - 2020

Contents

c1 Esterase inhibitor deficiency - Statistics Canada age groups	2
--	----------

Note: Prior national demographic reports were produced from the Canadian Hemophilia Registry. Beginning with 2018, these reports are now produced from the Canadian Blood Disorders Registry, which covers all of Canada except British Columbia. Numbers for British Columbia were retrieved separately and added to the CBDR totals if available.

c1 Esterase inhibitor deficiency - Statistics Canada age groups
